

Kerina Maye Graham

Kerina Graham is a CERTIFIED FINANCIAL PLANNER™ Professional and Founder of El Camino Wealth Management

El Camino WM was formed due to the enjoyment of long-distance hiking and the similarities with investing. They both require a plan to start, a destination and the ability to make adjustments along the way.

I love to be challenged. I am outgoing and adventurous, I'm always trying new things.

Some of my earliest memories are of sitting on my dad's lap, looking at the daily paper and going over stock quotes so that we could decide where to invest our hard-earned money.

I have lost numerous friends and family to Cancer. As a result, I am very involved in finding a cure. I have walked in the Susan G. Komen 60-mile 3 Day walk for the past 13 years in 12 different states.

Both my mom and dad instilled in me the importance of making solid financial decisions. I knew from a very early age that my future was in the financial industry helping others.

I am most proud of some recent hikes which includes the Tour de Mont Blanc around Switzerland, Italy and France, the Camino De Santiago across Spain and rim to river at the Grand Canyon.

I have my MBA in Business Administration and a BA in Finance with a minor in Economics.

I hold the CERTIFIED FINANCIAL PLANNER—CFP® designation which is acquired after extensive training and requires that I be held to the highest ethical and educational standards. My registrations include the series 7—General Securities Representative, the Series 9/10—General Securities Sales Supervisor currently held with LPL Financial and the Series 66—Uniform Combined State Law Examination with both LPL Financial and Stratos Wealth Partners. I also have a Life and Health License and the BFA – Behavioral Financial Advisor.

I married my best friend, Bill, who blessed me with a son whom I wish was biologically mine. As a result, I have an incredible daughter in law, and 3 fabulous grandkids. I am a mother of a fur baby, Koko my crazy cat. I am the youngest of five children and help to take care of my mom after my dad passed.

My nickname is Magellan because you never know what path I will take when hiking. I am naturally curious so I am always off exploring.

Be the reason someone *Smiles* today. Do not follow where the path may lead, go instead where there is no path and leave a trail. –Harold R. McAlindon

I started my career with Seafirst Bank in Washington State which later combined with Bank of America. Bank of America eventually took over Merrill Lynch in 2010.

The name "Kerina" means: Dependable, down-to-earth and well grounded, you are always looking for meaningful work. Your prime desire is to build a protected and secure environment at home and work. You can be persuasive in achieving goals and gaining objectives. You can be detailed, well-organized and possess great organizational skills.

After working for 22 years for a large firm, I made the decision to go independent. I joined LPL in 2014 and have never looked back.

When I am not working, I can typically be found hiking on the local trails. My favorite vacations normally include a place where I can have new and unexpected experiences.
